NEWSLETTER No. 49

Chairperson's Report June 2025

Another month has flown by, and it has been great to see some fine weather. Everyone is enjoying their bowls and soaking up the sunshine. Club championships are in full swing and well done to the committees for accommodating everyone on the one green.

A big thank you to the Morton Bay Council for repairing the pipe that caused the sinkhole in the Kling Green. We are awaiting another quote for fumigation from a South Australian company, so when that is finalised, we can schedule the refurbishment. Unfortunately, the refurbishment grant we applied for cannot go ahead as the result of our application may not be available till January which will be too late for us. However, we do have other avenues of inquiry regarding grants and donations and have just received notification from Busy Fingers that they will donate the \$36443.00 to cover the major costs. This is great news and is a direct result of the hard work done by our Board Secretary Marilyn Weston. Thank you, Marilyn.

The refurbishment will be in 4 major steps over the coming months.

Step 1 - scalping of 60mm off the top of the green

Step 2 - fumigation of the green to get rid of the Ground Pearl

Step 3 - laser levelling and aeration

Step 4 - planting of sprigs and fertilising.

Many of you may have heard there is a new rumour doing the rounds now of the club being kicked out and the building demolished in two years' time. As with the RSL and CPS, we are still operating under the Facilities Hire Agreement. That was re-signed in 2017 so is up for renewal in 2027. We have a ten-year option in place after that so we will not be asked to leave. Rumours have always been rife, so if anyone is not sure of anything please ask for clarification from a Board member.

For those members not enjoying good health, I wish you well and a speedy return to the Greens.

HAPPY BOWLING *Ian Paterson Board Chairperson*

NOTICE TO CLUB MEMBERS

ACKNOWLEDGING THE GENEROSITY OF BUSY FINGERS

Dear Club Members,

It is with immense gratitude that we acknowledge the extraordinary generosity of Busy Fingers towards our bowls club since 2014. Their support has been instrumental in enhancing our facilities and ensuring the growth and success of our club.

Over the years, Busy Fingers has contributed approximately \$80,000 to various projects and improvements, including:

- Non-slip paint donated for the surrounds of the bowls green
- Scoreboards for both greens
- A laptop for the club secretary
- A computer for the club office
- A club membership card printer
- Shadecloth structures at the end of each rink
- The refurbishment of Kling Green

These generous donations have not only enhanced the functionality of our club but have also greatly improved the experience for all our members and visitors. Busy Fingers' unwavering commitment to our community is truly commendable, and we encourage everyone to take a moment to appreciate their contributions.

Let us continue to honour their support by making the most of these incredible improvements to our club.

Marilyn Weston

Club Secretary

## *Umpire's Report*

The sun is shining and the Richardson Green is running well as I write this report.

Everyone has contributed to making our one green club work well and fulfil all our commitments.

Championships are well underway and we held our annual Maytime Fours successfully with slightly reduced numbers but no dramas.

We continue our monthly Umpires Meetings which are well attended and generally considered informative. Last month we ran a couple of measuring sessions aimed to assist new bowlers playing competition and required to measure - feedback was positive and we played with our new toy – the laser measure.

Pennant season will begin shortly and our remaining Umpires will be kept busy, as many of them will be playing pennant for our club.

Good Bowling

*Doreen Pennery, Umpire Coordinator*

## *From our Sponsorship Team*

*Joanna, Gideon and Diana*

### **Weekly Wednesday Raffles draw**

The Sponsorship Team has been very active and we have secured 80% of our targeted vouchers for the year. This is a very good outcome for the club as the sale of the yellow raffle tickets is a pure profit to the club.

Thanks for the support by the members in purchasing their Wednesday yellow raffle tickets.

### **Weekly Wednesday \$100.00 Prize Money Sponsorship**

We are glad to introduce Ray White to our sponsorship list. Ray White has committed to sponsor us on every 1<sup>st</sup> Wednesday of the month.

They are also in the process of having a Ray White advertising board put up on the Kling Green.

Once again, this is great support for our club.

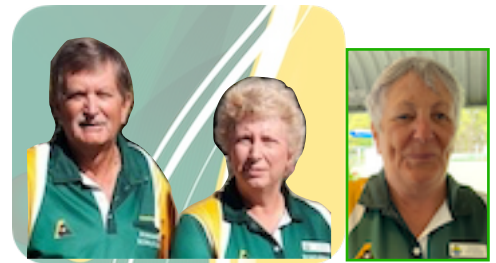

Thanks also go to the individuals who sponsor our Wednesday games.

### **Signage Sponsorship**

Sponsors of scoreboards and drinkstands on our greens contribute a valuable source of income to the club. The large fence signs are in demand and new sponsors for all types of signs are continually coming forward. Recently we have welcomed new signage sponsors Ray White, Ketra Kitchens, Banksia Fruit and Juice Barn, Rod Curtis, Donovans Signs and Taddio Building Group to the fold. Many others regularly renew their commitment with some choosing to also update their signs.

For all the obvious reasons (business closures, retirement, death etc) some cancel and so vacant signs have to be resold. We welcome all suggestions of possible new signage sponsors, pass on the names to Diana please of your favourite businesses, tradies or suppliers.

Bongaree Bowls Club members can also sponsor a sign; thank you to Rod Curtis and Arne and Elna Jensen. Feel free to step up, it is only a \$100 annual donation to your club. Our gratitude will be immense!

Wednesday 4 June: Pam Walker, Billy Moor and Beryl Moor being awarded their prizes by Rodney Egan of Ray White Bribie Island

### Appreciation to our continuing sponsors

Sponsors have continued to support our club for which we are very grateful. Traditional Funerals have just supplied us with 6000 scorecards.

The Maytime Four's was again sponsored by Remax Advanced Bribie Island and Martin Jonkers Toyota Morayfield.

With the Men's Carnival unable to be facilitated this year the down scaled Winter Carnival has still attracted a number of sponsors, giving a prize pool of \$1000. We would like to thank Traditional Funerals, First National Real Estate, All Terrain RV & Caravan Repairs, Wilkie's Auto Centre and Ariana Doolan MP for their continued support.

Later in July Wilson & Co Property Professionals will again be sponsoring our Australia Vs Rest of the World event.

### From the Editor

Thank you for all the positive feedback about the newsletter, however, it is important to acknowledge that this is a team effort. Thank you to everyone who provides written contributions, photos, feedback and ideas. It is this combined effort that makes the newsletter what it is. Go team!!

## Ladies' President's Report

The club has seen a few changes over the last couple of months with only one green in use and lots of games cancelled because of inclement weather. Thankfully our Maytime Fours went ahead although to make that decision at 7am in the torrential rain was a tough one. Nevertheless, the six visiting teams seemed to enjoy the day and 8 rinks managed to get a full afternoon of play.

Patroness Joy Lambie, Patron Gary McCarthy and our Life Members were treated to afternoon tea, also Gail Parker was invited to thank her for her dedication she has given the club over the years. The delicious sandwiches and cake were all done by the ladies of the committee and enjoyed by everyone.

The ladies have decided to organise the occasional social evening at the club. Our first was a Trivia night on St Patrick's Day, many dressed in appropriate attire - it was good fun and very well supported. Thanks to our quiz master Joanna for making us all think hard to find answers. Also, Anita and Mary, the markers and entertainers. Our next Trivia evening is featured as 'Christmas in July' with delicious snacks and a general Christmas theme quiz.

The Ladies Championship finals have been played on a Saturday afternoon which have proved to be a great success with a crowd of supporters watching and enjoying the competitive games played.

Ladies Champion - Imelda Valentine

Pairs Champions - Mary Doorley & Dee Morrison

Fours Champions- Wendy Rollason, Jen Hadley, Janice Mason & Sandra Scott

Novice Champion - Andrea Pike

Very well done to them all and they now compete in the District Champion of Champions in June/July.

Our Novices also competed in the District Championships in May which was a great experience. Julie Sibthorpe, Ann-Marie Dimino & Val Smith.

*Dee Morrison, Ladies President*

### Ladies Novice Singles Championship Final, Tuesday 25 March 2025.

Conditions were humid with the threat of rain when Andrea Pike and Rose-Marie Dimino met in the final.

The game was played on our refurbished Richardson Green so the conditions proved a little different to what we have been playing on over previous months.

Both ladies put on their best with the winner on the day being Andrea Pike. Well done to both ladies for playing in the final and congratulations to Andrea Pike for becoming our Novice Singles Champion for 2025.

## **Ladies A Grade Singles Finals, the Ester Anderson Perpetual Trophy 24 May 2025**

On this beautiful sunny Saturday afternoon, in front of a large number of club members, Imelda Valentine and Elna Jensen played the final of the Ladies A Grade Singles, the Ester Anderson Perpetual Trophy.

Both ladies played a tremendous game. It was a tough one and the ladies ended up playing 31 ends. At 30 ends the score was 24 each, such a wonderful effort by both competitors with Imelda Valentine winning the championship for 2025. Imelda said after the game that it was the toughest game she has ever played, a testament to two great competitors. Well done ladies on a very entertaining final.

Congratulations to Imelda Valentine on becoming the 2025 Ladies A Singles Champion

## Men's President's Report

Hello bowlers,

Welcome to the 2<sup>nd</sup> Newsletter for 2025.

The last 3 months has not been kind to us with many playing days lost to rain. However, we have managed to survive.

All the Men's Club Championships have managed to finish on time even though some games had to be played midweek. I would like to thank our Games Director Col Valentine for ensuring any delayed games were played prior to the start of the next round. I would also like to thank the players for their co-operation.

### The Results of the Club Championship Played are as follows:-

Novice Singles Winner: Colin Sleet

Men Pairs Winners: Arne Jensen and Errol Fender

Men's A Singles Winner: Arne Jensen

The Men's B Singles have played their Semi Final and the Final will be played on the 21<sup>st</sup> June at 1pm. The finalists are Ian Gillies and Gideon Croukamp.

### Thanks to all the players who supported the B Singles Competition this April

**Round 1 of Pennants** commenced on the 28<sup>th</sup> June with Bongaree away to Bribie Island in Div. 6 Red and Div 8 Red also at Bribie Island. In Division 10 open Bongaree away to Pine Rivers.

Sadly we had to cancel this years Men's Carnival due to the condition of the Kling Green. Plans are underway to commence re-furbishment work shortly so all should be back to normal in 2026.

### In place of the Men's Carnival it has been decided to hold a Mini Club Carnival on the 14<sup>th</sup> June.

We have a full green so a good day is assured

Happy Bowling

Cheers, *Gary Ryan, Men's President*

### Men's Novice Championship Final 10 May 2025

This was a super game won by Colin Sleet with his competitor Martin Jones close behind.

They played in wind and rain but it was a very worthy final with spectators watching and showing their appreciation of good bowls.

Well done gentlemen and congratulations to our 2025 Men's Novice Champion Colin Sleet.

### Ladies Championship 4's Finals Saturday 26th April

This was the first time that the ladies have held their finals on the weekend and it was very successful. It was played in front of a great number of club members which was terrific support for the players. The lovely weather on the day added to its success.

The game was very tight with scores running level at the 19th end which showed what a competitive game it was. Congratulations must go to both teams for a game well played. Overall winners of the day and the Champions for 2025 are Sandra Scott, Janice Mason, Jen Hadley and Wendy Rollason.

Congratulations ladies.

## Coaching Coordinator's Report

A good second Term start to 2025 with another 13 x U3A nominee players now into their 3<sup>rd</sup> week of Bowls Coaching.

First day was a washout, however, we ran an Indoor bowls coaching session with our Club Coaches showing the newbies all about bias & line etc.

We then ran an extended indoor run down half the length of the club on the carpet, finishing with a one-bowl playoff - a fun introduction to bowls. All enjoyed the Indoor session considering a Green's washout.

Club Coaches – Many thanks again for your time and patience in taking on our prospective new bowlers. Having only one green makes it a challenge to have 3 nominees with one Coach, and thanks to Bob Thirlwell, my assistant, in keeping the running sheets of Club Coaches and Players matched up.

Some of our first February 2025 U3A bowlers have joined the club and are now enjoying Scroungers and getting into other games during the week, even getting picked as spares to play.

Look out, senior bowlers – the new bowlers are coming through with good coaching and now are enjoying getting into several Club Competitions. In the Men's Competitions, several are making their winning way through to the Semi Finals & Finals. Good bowling was also seen with the Men's Novice Final.

Keep safe, Keep Bowling. Cheers, *Rod Curtis*

## RSA Holders & Bar Staff Needed!

To keep our Bar open on bowling days, we need RSA holders and bar staff to join the roster.

 **Roster Location:** On the glass wall near the Tea & Coffee Urn.

 **Important:** If no RSA holder is listed on the roster, the Bar will **not** open, and bar staff will be stood down.

We do *not* expect RSA holders or bar staff to play bowls and then manage the bar afterward. If no staff are rostered for a given day, the Bar will remain closed.

### **How to Join the Roster:**

- Contact **Club Coordinator Rod Curtis** at  0438 855 097 or  [rodcurtis2@gmail.com](mailto:rodcurtis2@gmail.com).
- Alternatively, write your name directly on the roster if you wish to cover specific dates.

Thank you for helping keep the Bar running smoothly!
